CONTENTS

VOLUME 1, JANUARY - JUNE 1970

Volume 1, No. 1 January 1970

Effect of Amino Acid Imbalance and Deficiency on Food Intake of Rats with Hypothalamic Lesions.
Philip M-B Leung and Quinton R. Rogers 1

A Zinc-Biotin Interrelationship in the Rat.
Richard C. Chu, Sandra A. Schlicker and Dennis H. Cox 11

Supplementary Value of a Low Cost Protein Food to Poor Indian Diets.
Soma Kurien, D. Narayanaswamy, B.L.M. Desai, V.A. Daniel and M. Swaminathan 19

A Comparison of Cystine and Methionine in Chicks with Induced Hyperthyroidism
L.W. Charkey, Adeline K. Kano and Duane F. Hougham 25

An Adequate Purified Diet for Rabbits of All Ages.
Elizabeth Gaman, Hans Fisher and Abraham F. Feigenbaum 35

Alteration in Serum Amino Acids and Liver Composition During Vitamin B_{12} and Folic Acid Deficiency.
Yet-Oy Chang and Fumi Yokota 49

The Essentiality of Arginine, Lysine and Methionine for the Growing Rabbit.
Elizabeth Gaman and Hans Fisher 57

The Effects of Anabolic Steroids on Blood Chemistry Profile, Oxygen Uptake and Strength.
L.C. Johnson and J.P. O'Shea 65

Protein Quality of Selected Lines of *Sorghum vulgare* for the Growing Rat.
Isis A. Nawar, Helen E. Clark, R.C. Pickett and D.M. Hegsted 75

NUTRITION REPORT INTERNATIONAL

Volume 1, No. 2 February 1970

Effect of Dietary Fat on the Fatty Acid Composition of Turkey Egg Yolks
J.R. Couch, B.M. Cornett, T.M. Ferguson and C.R. Creger 83

Levels and Sources of Phosphorus in Laying Hen Nutrition.
J.R. Couch and C.R. Creger 95

Temporary Induction of Phenylketonuria-Like Characteristics in Infant Rats.
J.B. Longenecker, P.B. Reed, G.S. Lo, D.Y. Chang, M.W. Nasby, M.N. White and S. Ide 105

Improvement of Protein Value in Poor Rice Diet by Supplementation with Limiting Essential Amino Acids.
B.L. Desai, S. Kurian, V.A. Daniel, D. Narayanaswamy, M. Swaminathan and H.A.B. Parpia 113

Familial Enzymic Patterns: I. Serum Glutamic Oxalacetic Transaminase (SGOT) in the Dentist and His Wife.
E. Cheraskin and W.M. Ringsdorf, Jr. 119

Familial Enzymic Patterns: II. Lactic Dehydrogenase (LDH) in the Dentist and His Wife.
E. Cheraskin and W.M. Ringsdorf, Jr. 125

Blood and Brain Levels of Glutamic Acid in Young Rats Given Monosodium Glutamate.
J.M. McLaughlan, F.J. Noel, H.G. Botting and J.E. Knipfel 131

Effect of Exogenous Lipid Restriction on Rat Blood and Adipose Tissue Steroids.
E.E. Sandmeyer and R.O. Moore 139

Rat Tissue Sterols and 3-Ketosteroids.
E.E. Sandmeyer and R.O. Moore 147

Selected Abstracts 157

Volume 1, No. 3 March 1970

Vitamin Binding by Human and Some Animal Plasma Proteins.
O. Frank, A.V. Luisada-Opper, S. Feingold, and H. Baker 161

Improvement of Protein Value of Poor Wheat Diet by Supplementation with Limiting Amino Acids.
V.A. Daniel, B.L.M. Desai, D. Narayanaswamy, Soma Kurien, M. Swaminathan, and H.A.B. Parpia 169

Toxic Effects of Dietary Selenium in Hamsters.
D.M. Hadjimarkos 175

Influence of Dietary Free Fatty Acids on Lipid Metabolism in Rats.
D. Kritchevsky, A.M. Marcucci and Shirley A. Tepper 181

Hepatic Lipogenesis, Adipose Lipoprotein Lipase and Triglyceride Removal in Normotriglyceridemic Hexose-Fed Rats.
W. Webb, P.J. Nestel, Carole Foxman and Ann Lynch. .189

Metabolism of the Obese. (Review)
R. Rath, Josef Masek, H. Bittnerova, V. Kujalova and A. Veselkova 196

Selected Abstracts 202

NUTRITION REPORT INTERNATIONAL

Volume 1, No. 4 April 1970

Toward More Efficient Expenditure For Food Among Colombian Families.
Cecilia A. Florencio and Victor E. Smith 207

Steroid and Dietary Effects on Blood Lipids in Elderly Persons.
Anthony A. Albanese, Maurice L. Woodhull, Louise A. Orto, Dorothy N. Zavattaro and Evelyn H. Wein 231

Metabolic Aspects and Interrelationships of Methionine and Tryptophan: Behavorial Implications.
Herbert Sprince 243

Selected Abstracts 263

NUTRITION REPORT INTERNATIONAL

Volume 1, No. 5 May 1970

Editorial: Where Are The Malnourished?
George V. Mann 267

D-Araboascorbic Acid and Guinea-Pig Scurvy.
R.E. Hughes and P.R. Jones 275

Influence of Phenylalanine and Vitamins A and E on Plasma Phenylalanine, Liver Phenylalanine Hydroxylase Activity and Brain Serotonin in the Rat.
Nanna Promkasetrin and Inez Harrill 281

Cookies Containing Fish Protein Concentrate as a Substitute for Skim Milk in a School Feeding Program.
G.L. Brinkman and Julia Rose 291

Improvement of Protein Value of Poor Kaffir Corn (Sorghum vulgare) Diet by Supplementation with Limiting Amino Acids.
D. Narayanaswamy, B.L.M. Desai, V.A. Daniel, Soma Kurien, M. Swaminathan and H.A.B. Parpia. 297

Supplementary Value of Yeast Grown on Petroleum Hydrocarbons to Poor Diets Based on Rice and Ragi (Eleucine coracana).
D. Narayanaswamy, Soma Kurien, B.L.M. Desai, V.A. Daniel, S. Venkat Rao, M. Swaminathan and H.A.B. Parpia 305

Familial Biochemical Patterns: II. Serum Albumin Levels in the Dentist and His Wife.
E. Cheraskin and W.M. Ringsdorf, Jr. 313

Selected Abstracts 319

NUTRITION REPORT INTERNATIONAL

Volume 1, No. 6 June 1970

Evaluation of a Cereal-Legume Blend To Be Used in a Nutritution Improvement Program.
G. E. Bunce, J. A. Modie, C. Miranda, J. Gonsales and D. T. Salon 325

Anabolic Steroid: Effects on Competitive Swimmers
J. P. O'Shea 337

Hepatic 5-Hydroxyindole Production in Bovine and Rats.
Larry M. Hansen, Alan Tsai, I.A. Dyer and R.J. Johnson 343

Protein Level and Reproductive Level Performance of Turkey Hens.
R.L. Atkinson, J.W. Bradley, T.M. Ferguson, J.R. Couch and J.H. Quisenberry 353

Effect of Pectin and Algin upon Protein Utilization, Digestibility of Nutrients and Energy in Young Rats.
S. Viola, G. Zimmerman and S. Mokady 367

Liver Phospholipids in Choline-Deficiency I. Distribution of Total Lipid Phosphorus.
P.R. Turkki and M.T.G. Silvestre 377

Selected Abstracts 387
